-J. R. Alt, of Tylersburg, was a busimade the REPUBLICAN a pleasant call while here. He reports the fever patients in his community getting along nicely with the exception of one, who is still in a critical condition. There are no new cases, and the people are hoping that the epidemic has run its course.

-A clergyman preached a rather exhaustive sermon from the text: "Thou art weighed in the balance and found wanting." After the congregation had man or woman can make a start in life.

Those who fit themselves carefully and thoroughly can always find remunerative weary and went out; others followed, greatly to the annoyance of the minister. Soon another person started, whereupon the preacher stopped his sermon and said: "That's right, gentlemen; as fast as you are weighed pass out,"

-A lady reader gives us the following recipe for preserving sweet corn, which produces an article superior to both the canned and dried product: Boil corn on ear till milk sets, cut from cob and mix thoroughly with salt at the rate of one pint of sait to four of corn; pack in jarand cover with cloth and plate. Salt should be soaked out before cooking. Corn preserved in this way keeps its flavor remarkably well and is also tender .- Ex.

--One of our exchanges says: It may sound a trifle startling, but it is said to be true, that more young men are learning trades in the penitentiaries than out of them, because parents are trying to make clerks, doctors, lawyers and even preachers out of materials intended for carpenters, blacksmiths and other trades. The trouble is, boys are eager to avoid the labor of life, and too anxious to follow some calling that does not soil their hands

-One of the great annual events of the summer season at Chautauqua is the Old First Night with its commemorative exercises, songs and sketches. The thirtythird annual Assembly will find Bishop John H. Vincent still presiding over this meeting, and though since last summer Mr. Frank Beard has passed away, a notable assemblage of well-known con tributors to Chautauqua work will appear on the platform on the evening of August seventh

-The undaunted George Jennings and his faithful mare, known this whole country over as "Lark," was in town a few hours on Sunday. George, who claims he was unjustly incarcerated in the Tionesta Stroup, wife of the Sheriff. He says she pleasant time while at the county bastile but seems very thankful for his release. He will, no doudt, give that end of the county the go-by in the future,-Marienville Express.

-Friends in this community were made aware of the death of J. Wesley Ball, who will be remembered by many day from an extended visit with Meadas a former citizen of Tionesta, but are ville friends. wholly without particulars at present. He was a resident of Jamestown, N. Y., but had gone to California some months ago to recuperate his health after a severe Illness last winter, and the last heard from him he was improving rapidly, so his demise must have come suddenly and unexpectedly. His funeral was held yesterday. Mr. Ball was aged about 54 years, and leaves a wife, two sons and two daughters, living in Jamestown. He Ball, and the oldest of the family of the late Nelson G. Ball, of East Hickory.

-Cadwallader Biddle, Secretary and General Agent for the State Board of Charities, has been making his annual rounds of the charity and correctionary institutions of the state, and on Saturday paid the Forest county institutions a visit At the county home he expressed himself as greatly pleased at the condition of things, complimenting the Steward and Matron, Mr. and Mrs. F. Wenk, on the cleanly, comfortable and neat appearance of the home, its inmates and surroundings. The same condition was found to exist when Mr. Biddle reached the county jail, where he discovered that Sheriff and Mrs. Stroup kept things in such apple-pie order that he had no suggestions to offer. It must be remembered that the Agent gives no warning of his coming to these institutions, and finds the conditions as they exist every day in the year, Forest county ranks with the best in the state in the matter of her charity work.

Clarington.

Our town was visited or rather taken by a band of gypsies and they almost broke up two or three familes, But cooler judgment prevailed and since the leaving of the gypsies all are living happily. It was surely a red letter day in Clarington. They were fortune tellers ail, had a good word to say for Mrs. of the Oriental type from the old country and their charges were on a sliding scale, is a splendid cook. He reports a fairly anywhere from three yards of calleo to twenty and a bottle of pop to a sandwich. They seemed to do a more lucrative business in the stores but no one escaped, as all were given a chance.

EDITOR REPUBLICAN :- A visit

morning, a 40 minute ride on the top of -Miss Kate Sires, of Oil City, was the from our elevated perch, the narrow guest of Mrs. J. C. Geist over the Sab- streets, intersecting in a bewildering way, show us many quaint and fascinating scenes. Venders of fruit, vegetables, flowers, toys, kitchen utensils, cheap pottery and notions of all sorts line the pavements. One ambitious peddler has -Geo. R. Johnson and daughter, of her little push cart covered with an umed a sort of awning; this is movable and so forms a shade on the sunny side; meantime the woman has protected her head with a bonnet made of newspaper. fu a small open square are two or three booths and a merry-go-round, the seats being on the most melancholy looking monkeys, donkeys and pigs, and the whole affair worked by a fat little horse on the principle of a horse power threshing machine. In the windows of the butther-shops are suspended the carcasses of meat where they hang day and night unprotected from heat or flies. --Will S. Gillespie has moved from There are practically no flies either here Warren to Alderson, W. Va., where he is or in England, and even the poorest streets are beautifully clean. Reaching our train we are soon speeding through win, of Redclyffe, Forest county, were fields yellow with the wheat harvest or green with growing oats and rye. There are no fences or hedges and the plots of the different crops are small, which gives a peculiar checker-hoard effect to the landscape. Everywhere at this scason are the popples-sometimes like a sheet of flame in emerald setting, then sprinkled like red stars through the golden wheat fields. The valley of the Thive is crossed by a high viaduct of fifteen arches and skirting the edge of the forest we reach the town of Chantilly, famous for several centuries as the residence of the Condes. The chateau, one of the most beautiful in France, was originally built about 1560, but much of it was destroyed during the Revolution. Dake Henri d'Aumale, son of Louis Philippe, built the present beautiful structure, incorporating the remaining section of the original building. Here the Duke gathered the priceless heirlooms of his family, furniture, paintings and sculpture, and bequeathed at his death both building and contents to the Institut of France The library is especially beautiful, and the great collection of books most interesting, many of them dating from the 11th and 12th centuries. One which attracted our attention is a book of devotions belonging to Henrietta of France, and bound by her in a close cloth woven of the hair of Charles 1st of England. On one side of the chateau is a broad most in which are hundreds of aged carp. A guard on the bridge has a basket of huge rolls which visitors buy and throw to the worth and W. H. Pickens, of Marien- fish which come in shoals to be fed. They fight like mad things for the bread, often Wheeler, Jr. and Mr. Harvey Robinson, making a queer snapping noise. The forest contains over 6,000 acres, and our way leads through its well kept paths -the anniversary of the destruction of

and drives back to the station. July 14th is the French Fourth of July the castle-prison of the Bastile. Street dancing is the typical celebration of the National Fete, and the Municipal Council she will visit her mother, brother, Robert | sic. Small pavilions for the musicians Carson, and other relatives until October. | are erected in many of the public squares, -J. W. Lusher is home from Tionesta, and here the young people dance all day well known oil contractors.-Titusville time for forty-eight hours. Their dance is a variety of valse with no "reversing," and they spin round and round like teetotums as long as the music lasts. Everyone is good natured and there is little or no disorder or drunkenness in spite of the vast amount of wine drinking. The streets and large buildings are elaborately decorated-the public buildoff at various points along the river in the evening, thousands of people gathering on the bridges for the display.

The great event of the day is the military review at Longchamps and the last feature of it is most inspiring, when 3,500 cuirassiers make their charge, dashing across the plain toward the tribune at full gallop, their helmets and cuirasses glistening in the sunlight and their long 'horsetails' streaming behind them, while the great crowd cheers and applauds frantically. The returning procession to the city gives us a good opportunity to see President Fallieres, the Diplomatic Corps, the Presidents of both Houses of Parliament, the King of Cam-Longworths, who have been much feted here, the fair Alice being greatly ad-KATE C.
